Dreamee Dog's Favorite 1970s Horror Movies

Dreamee Dog is ready for some fur tingling excitement with 1970s horror movies. She enjoyed the House of Dark Shadows, but she wanted to chase the rabbit in *Night of the Lepus*. She got thoroughly terrified from her ears to the tip of her tail with *Tales from the Crypt* and *The Wicker Man*. Dreamee Dog can't get the music out of her head from *Jaws*, and she wonders if there are canine creatures like those in *Alien*. Which movie scared you silly?
