

## Chocolate Bunny Centerpiece

- 1 (14 ounce) package assorted jellybeans
- 1 (3 ounce) solid milk chocolate bunny

- 1 (10.9 ounce) package speckled candy-coated milk chocolate eggs

**Use** a pedestal cake stand with a slight lip. Place jellybeans onto cake stand. Position chocolate bunny in center of cake stand. Use jellybeans to hold bunny upright. Place chocolate eggs around chocolate bunny. Add fuzzy chicks as decoration.

**Cook's Note:** Position cake plate prior to filling. Fuzzy chicks are not edible. If a completely edible display is desired, use marshmallow chicks.
